

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing City Manager to Execute and Submit Necessary Paperwork and Claim Forms for Projects Funded by Measure K Bicycle Projects

MEETING DATE: August 3, 2011

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution authorizing City Manager to execute and submit necessary paperwork and claim forms for projects funded by Measure K bicycle projects.

BACKGROUND INFORMATION: The voters of San Joaquin County approved Measure K (MK), which provides funding for transportation system improvements through a one-half cent retail sales tax. One categorical allocation under Measure K is the Bicycle, Pedestrian and Safe Routes to School Program. This funding category provides both competitive and non-competitive funds.

The City of Lodi is eligible to receive competitive and non-competitive funds for bicycle projects through the Measure K program. These projects can be used for various new bikeways construction projects, including design, planning and implementation studies. The San Joaquin Council of Governments requires that a claim form be signed and submitted by the City prior to receiving the funds.

Current City projects eligible for MK funding are Harney Lane at Reynolds Ranch Parkway, Elm Street east of Hutchins Street and the updated Bicycle Master Plan.

FISCAL IMPACT: MK funding will reduce the obligation of Streets funds. MK non-competitive funds in the amount of approximately \$121,460 have been allocated to the City of Lodi.

FUNDING AVAILABLE: Not applicable.
